CITY OF BLANCO

Boil Water Notice Rescinded – July 10, 2025

PWS ID: TX0460019 – Canyon Lake Shores

On July 6, 2025, the Texas Commission on Environmental Quality (TCEQ) required the Canyon Lake Shores public water system (PWS ID TX0460019) to issue a Boil Water Notice to inform customers, individuals, or employees that due to conditions which occurred recently in the public water system, the water from this public water system was required to be boiled prior to use for drinking water or human consumption purposes.

The public water system has taken the necessary corrective actions to restore the quality of the water distributed by this public water system used for drinking water or human consumption purposes and has provided the Texas Commission on Environmental Quality (TCEQ) with laboratory test results that indicate that the water no longer requires boiling prior to use as of July 10, 2025.

We are happy to inform you that the Boil Water Notice has been lifted for the following affected areas:
